

Ensures effective cleaning of textile coverings

The AX14 extractor is designed to clean textile coverings in the most congested premises thanks to a complete range of accessories. The machine has been developed for simple and effective operation for all users. The 4 rotating wheels offer greater mobility, and the polyethylene framework and accessories with stainless steel tubes last longer.

- Cord storage on the machine
- Accessories for cleaning wall coverings, carpets, hard floors, rugs, armchairs and seats
- Injection pump protected by a removable filter in the solution tank
- Integrated ergonomic handle

AX14 is a compact extractor for effective cleaning of textile coverings. AX14 is a practical solution for cleaning professionals, hotels, institutions, restaurants, rental shops etc.
