

Ease of use and reliability at competitive price

BU500 is perfect for daytime cleaning and can be used in hospitals. Safety button, dead switch, high visibility cable put BU500 at the edge of safety. Metal frame, big wheels and bumpers, gloss paint, all merged together in a modern design give evidence to the robustness, durability and easy cleaning of the machine.

The BU500 is a complete and worry free machine.

- Price competitive: extremely competitive on prices against major competitors
- Ultra high speed to make perfect shining floors
- Common design: Nilfisk image to the Customer is improved, cost savings and complexity reduction
- Improved features: cable hook, plug holder, big wheels, safety, easy cable replacement, ergonomic handle

BU500 burnisher is a 1500rpm belt driven machine. Improved ergonomoy in use and transportation, thus adding special features as ergonomic handle, trip fuse, built-in padholder, 15m cable, robust construction.
