

## Compact walk-behind sweeper with traction - perfect for corners and narrow spaces

FLOORTEC 350 is an effective solution for dust-free sweeping in small and narrow areas. It has a rugged design, low sound level and dust-free sweeping for both in and outdoor use. The filters can be replaced and the brooms can be adjusted/changed in no time - without any use of tools.

- Adjustable ergonomic handle
- Control panel with battery level indicator
- Handle can be folded for easy transport
- Traction transmitted via the back wheels
- Adjustable main and side broom
- The brooms can be changed without the use of any tools
- Filter can be inspected/ changed without tools
- Manual filter shaker

FLOORTEC 350 is a battery powered walk-behind sweeper with dust control and traction. The ideal solution for small to medium sized cleaning jobs like service stations, small parking lots, small factories and small warehouses. The sweeper is also very suitable for cleaning of large carpeted areas
